**Assessment of the chemical formulations of your acetal resin qualities (POM)
"CDC POMN", "CDC POMG", "CDC POMB", and "CDC POMW"**

Dear Mr Kim Hwa Dong,

referring to your order dated 09.03.2024 we inform you that we have checked the chemical formulations of "CDC POMN", "CDC POMG", "CDC POMB", and "CDC POMW" sent to us for compliance with the positive lists of "evaluation criteria for plastics and other organic materials in contact with drinking water (KTW-BWGL) – Annex A plastics" of the German Environment Agency (UBA) (BANz AT 12.09.2024 B4).

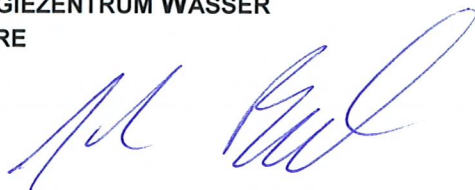

All four formulations are in compliance with the above-mentioned positive lists.

Samples can be tested according to KTW-BWGL Annex A plastics.

If you have any further question, please do not hesitate to contact us.

Best regards
